

Charity Requests for Auction Donations

Due to the large number of requests that we receive, we limit our donations to Renton based organizations.

- Requests will only be considered if submitted at least 30 days prior to the event, if the event is less than 30 days away please think about us for your next event.
- Charitable organizations must have a 501c3/501c6 Tax ID number to be considered for a donation.
- Our typical donation is two flights and a growler with growler fill. The certificate holder is limited to beers we produce and may exclude higher priced specialty beers.

Please fill out and return the following form to: mary@fourgenerals.com
